Subject: submission on river access

Raywell Farm Ltd.

~~We~~ wish to submit an objection to the proposed enforcement of keeping stock out of all riverbeds.

We farm on the banks of the Selwyn River, which is often dry, and many years ago the River changed course, leaving 9ha of our farm isolated and land locked.

We pay rates and River protection rates on this land.

For the past 20 years we have been grazing beef cattle on the 9ha's, the only access to this land is via a narrow crossing through the Selwyn River, which takes about 3 minutes, with little time for contamination of the crossing point.

Further upstream there is a public road which is used when the River is dry. This crossing is used by many people, vehicles and stock, and the council keep the ford graded for these purposes, it's closure would be a great disadvantage to many people in our district,

We have contributed a lot of time and effort to protect the river banks with willow planting along our farm boundary and consider ourselves good stewards of the land.

There are other neighbours in the same situation, we are seeking rights for continuation of access to our land.

yours faithfully, Raywell Farm Ltd

Albert John Withell, Peter Withell, Quentin Withell.

The other neighbours that are likely to be affected by the Proposed Canterbury Land & water Regional Plan are.

Mr Glyn Morris 137 Corbetts Road Ellesmere phone 3295 839.

• Mr John W.F. Chamberlain "Hadstock" Corbetts Road Ellesmere phone. 3295 784

We also support Federated Farmers Submission on these issues. Thank you.
