(3) I seek the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)
Section & Page Number	Sub-section/ Point	Oppose/support (in part or full)	Reasons	
Te Waihora as a Ngāi Tahu Cultural Landscape		Delete this in section 6 Oppose	Equality. All parties should be treated as equal. Why should those in the proposed Te Waihora as a Ngāi Tahu cultural landscape be treated differently to those in the wider catchment?	No freehold land on the edge of Te Waihora Lake Ellesmere to be included in this zone
Discharge of Land Drainage Water		Oppose	Without effective drainage my property becomes unusable.	<del>Area</del> Land drainage to be a permitted activity. Rule that drives an adaptive and collaborative approach to land drainage
Rule 11.5.21			Water flows to the lowest point. To not have the ability to continue to drain land not only affects me but transfers the issues further up. Townships like Tai Tapu become more vulnerable.
