State concisely whether you support or oppose the provision being submitted on, or wish to have amendments made.

My submission is that: Oppose

Please state your reasons for supporting/opposing/amendments sought

My reason(s) for supporting, opposing or requesting amendments to this specific provision are:

Our nitrogen loss calculation is so low @ 15kg/Ha, other areas are much higher & would have a much greater effect on the ground water

Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand the outcome you are seeking.

I seek the following decisions from Environment Canterbury:

For Ecan to be more realistic with the nitrogen loss levels we are having to work within.... ie needs to be considerably higher
