Form 6

**Further submission in support of or in opposition to submission on publicly notified proposed policy statement or plan**

To: Canterbury Regional Council (Environment Canterbury)

Name of person making

submission: DENIS PETER de PASS

(print full name)

This is a further submission in support of a submission on the following variation to a proposed plan:

Variation No 1 to the proposed Land and Water Regional Plan (Selwyn -Waihora).

I am a person who has an interest in the proposal that is greater than the interest the general public has. I am a farmer/landholder in the catchment area covered by the plan and my farming activities/farm will be directly affected by the provisions for managing water quality and/or water quantity in the variation.

I support the submission of the North Canterbury Province of Federated Farmers of New Zealand.

The particular parts of the submission I support are:

The entire submission; <sup>and</sup> particularly stock exclosure from water ways  
at in hill & high country  
(Identify the points in the submission you support).

The reason for my support is:

I farm near the top of Kaituna Valley, Banks Peninsula.  
on steep hill country. It would be very expensive  
to fence all the rivers, creeks, springs that my farm  
contains to keep cattle & sheep out. Hill country is not  
inter farmed

I support the North Canterbury Province of Federated Farmers submission in removal of this rule 5.68 and rule 11.5.18

I seek the council to consider that stock ~~access~~ be allowed access to waterways in areas zoned hill or high country

I seek that the whole of the submission be allowed.

I ~~do~~/do not wish to be heard in support of my further submission (delete one)

If others make a similar submission I will consider presenting a joint case with them at a hearing (delete if you do not wish to be part of a joint case)
