

Resource Management (Forms, Fees and Procedure) Regulations 2003

Form 6

Further submission in support of or in opposition to submission on publicly notified proposed policy statement or plan

To: Canterbury Regional Council (Environment Canterbury)

Name of person making submission: _____

Leslie Ellen Seaton

(print full name)

This is a further submission in support of a submission on the following variation to a proposed plan:

Variation No 1 to the proposed Land and Water Regional Plan (Selwyn –Waihora).

I am a person who has an interest in the proposal that is greater than the interest the general public has. I am a farmer/landholder in the catchment area covered by the plan and my farming activities/farm will be directly affected by the provisions for managing water quality and/or water quantity in the variation.

I support the submission of the North Canterbury Province of Federated Farmers of New Zealand.

The particular parts of the submission I support are:

The entire submission; or _____

(Identify the points in the submission you support).

The reason for my support is:

We fully support the Federated Farmers submission as a whole but in particular we support the 20kg/hectare per annum as we farm on light soils. This would enable some flexibility in our farming operation of mixed/cropping.
