Resource Management (Forms, Fees and Procedure) Regulations 2003

Form 6

Further submission in support of or in opposition to submission on publicly notified proposed policy statement or plan

To: Canterbury Regional Council (Environment Canterbury)

Name of person making submission:

Garth Janson / Anne Janson
(print full name)

This is a further submission in support of a submission on the following variation to a proposed plan:

Variation No 1 to the proposed Land and Water Regional Plan (Selwyn –Waihora).

I am a person who has an interest in the proposal that is greater than the interest the general public has. I am a farmer/landholder in the catchment area covered by the plan and my farming activities/farm will be directly affected by the provisions for managing water quality and/or water quantity in the variation.

I support the submission of the North Canterbury Province of Federated Farmers of New Zealand.

The particular parts of the submission I support are:

The entire submission; or _____

(Identify the points in the submission you support).

The reason for my support is:

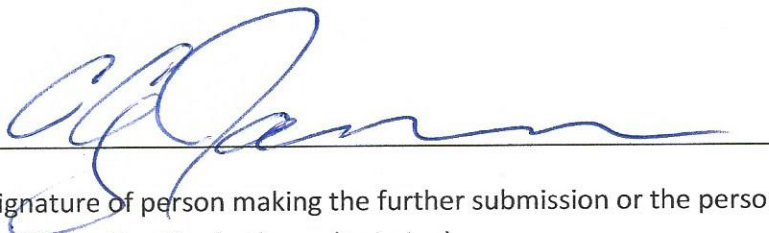

we wish to continue to farm in a sustainable + environmentally friendly way but consider that Variation 1 as it is written now

will impair the economic viability
of our farming business for
ourselves & our children

I seek that the whole of the submission be allowed.

I ~~do~~/do not wish to be heard in support of my further submission (*delete one*)

I others make a similar submission I will consider presenting a joint case with them at a hearing
(*delete if you do not wish to be part of a joint case*)

(Signature of person making the further submission or the person authorised to sign on behalf of person making the further submission)
