(1) specific provisions of the variation that my submission relates to are: (Specify page number and subsection numbering for each separate provision).

3.8 & 17 once the plan is in place a minimum of 20 years should be granted. Any less will mean extractors can not satisfactorily plan and manage their granted takes well into the future. The life of a vineyard is 50 yrs plus. To loose your consent after

(2) My submission is that: (State concisely: the nature of your submission, and clearly indicate whether you support or oppose each separate provision being submitted on, or wish to have amendments made, giving reasons.)  
say 10 years would be very unfair.

(3) I seek the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)

Minimum Flow regime  
Congratulations on adopting the status quo for minimum flows in the upper catchment  
I support this.
