(2) My submission is that: (State concisely the nature of your submission, and clearly indicate whether you support or oppose each separate provision being submitted on, or wish to have amendments made, giving reasons.)

We oppose the possibility of the loss of our long standing right to use our existing wells

(3) Ask the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)

Our well is used for stock and house water. We looked into connecting to town supply and were told that no guarantee that our application would be accepted as water mostly allocated already. To be

and further pages as required to go out this supply would be an emergency and possibly an inferior quality supply.
