 Contact name and postal address for service of person making submission (if different from above):

Trade Competition

Pursuant to Schedule 1 of the Resource Management Act 1991, a person who could gain an advantage in trade competition through the submission may make a submission only if directly affected by an effect of the proposed policy statement or plan that:

- a) adversely affects the environment; and
- b) does not relate to trade competition or the effects of trade competition.

Please tick the sentence that applies to you:

I could not gain an advantage in trade competition through this submission; or

I could gain an advantage in trade competition through this submission.

If you have ticked this box please select one of the following:

- I am directly affected by an effect of the subject matter of the submission
- I am not directly affected by an effect of the subject matter of the submission

Signature: Fraser McKenzie Date: 17-10-14
 (Signature of person making submission or person authorised to sign on behalf of person making the submission)

Please note:
 (1) all information contained in a submission under the Resource Management Act 1991, including names and addresses for service, becomes public information.

I do not wish to be heard in support of my submission; or

I do wish to be heard in support of my submission; and if so,

I would be prepared to consider presenting your submission in a joint case with others making a similar submission at any hearing

(1) The specific provisions of the Proposed Plan that my submission relates to are:		(2) My submission is that: (include whether you support or oppose the specific provisions or wish to have them amended and the reasons for your views.)		(3) I seek the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)
Section & Page Number	Sub-section/ Point	Oppose/support (in part or full)	Reasons	
Section 13	13-4-11 Table 13(9)	OPPOSE	The capping of N loss at 114 tons for the upper hills. I question the way this was calculated. I oppose the baseline limits. I've farmed organically for the last 10 years. I've planted wetlands and tried to look after the environment. I'm walked with a low baseline and feel I'm being penalised for doing the right thing.	
			I support Federated Farmers submission in full.	

Add further pages as required – please initial any additional pages.
