### Trade Competition

Pursuant to Schedule 1 of the Resource Management Act 1991, a person who could gain an advantage in trade competition through the submission may make a submission only if directly affected by an effect of the proposed policy statement or plan that:

- a) adversely affects the environment; and
- b) does not relate to trade competition or the effects of trade competition.

**Please tick the sentence that applies to you:**

- ☒ I could not gain an advantage in trade competition through this submission; or  
☐ I could gain an advantage in trade competition through this submission.

**If you have ticked this box please select one of the following:**

- ☐ I am directly affected by an effect of the subject matter of the submission  
☐ I am not directly affected by an effect of the subject matter of the submission

**Signature:** Beggy **Date:** 23/10/14

(Signature of person making submission or person authorised to sign on behalf of person making the submission)

Please note:

(1) all information contained in a submission under the Resource Management Act 1991, including names and addresses for service, becomes public information.

- ☐ I do not wish to be heard in support of my submission; or  
☒ I do wish to be heard in support of my submission; and if so,  
☐ I would be prepared to consider presenting your submission in a joint case with others making a similar submission at any hearing

(1) The specific provisions of the Proposed Plan that my submission relates to are:		(2) My submission is that: (include whether you support or oppose the specific provisions or wish to have them amended and the reasons for your views.)		(3) I seek the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)
Section & Page Number	Sub-section/ Point	Oppose/support (in part or full)	Reasons	
Section 32 Appendix 4 Pg 194	Protection of Social Values Pg 199.	Oppose Assessment.	There needs to be a Comprehensive Economic Impact Assessment carried out with regards to the impact these changes in the plan are going to have on the farming community as this is a major source of this areas income. If farmers are unable to farm profitably there will be a massive decline in the economics of the community and reduced employment opportunities as cost cutting occurs in a huge way so that farmers can stay viable in their businesses	A Comprehensive Economic Impact Assessment be carried out detailing the effects of the proposed changes and the losses in production and economic growth for the area and all the impacts that will directly affect farming production and income generation.
Federated Farmers Submission		Support in it's entirety	Addressing significant issues	To seriously consider these issues and their impact on the community and its economic growth for the future.
