			Lowcliffe Dairies Limited submit that we support the submission of Federated Farmers of New Zealand in it's entirety.	
			We also support the submission of Ian Mackenzie on behalf of the Eiffelton Community Group Irrigation Scheme.	
	Policy 13.4.13 & Rule 3.5.17		Concern about the application of decreases of N loss according to table 13(h). This is inequitable compared with businesses intensifying under rule 13.5.14	Amend the policies and rules which apply to existing land users, so that existing users are not disadvantaged compared with those who have intensified more recently. Specifically, address the potential inequity of existing last users having to reduce their N discharge below the 27kg N/ha/year which applies to new intensification/irrigation.
			We wish to be heard in support of our submission.
