Support Oppose	
Supports in Part or Opposes in Part	

State concisely whether you support or oppose the provision being submitted on, or wish to have amendments made.

My submission is that: Support

Please state your reasons for supporting/opposing/amendments sought

My reason(s) for supporting, opposing or requesting amendments to this specific provision are:

I support the change to any outdoor cooking as previous rule of allowing BBQ, hangi & umu but banning pizza ovens was vague. There was no definition of BBQ & some style of BBQs are not safe or clean burning. Better to allow any outdoor cooking in all locations, including responsible use of ovens, and use other rules for dealing with nuisance people or devices

Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand the outcome you are seeking.

I seek the following decisions from Environment Canterbury:

I request the proposed plan be accepted
