P.5⁴

C (1) The specific provisions of the proposal that my submission relates to are: (Specify page number and subsection numbering for each separate provision).	(2) My submission is that: (State concisely whether you support or oppose each separate provision being submitted on, or wish to have amendments made and the reasons for your views.)	(3) I seek the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)
<p>Page 16, 4 Cleaner air after both quakes all i had was the fire. It was heat, cooking, light and comfort while there was no power or water etc. Things were hard enough without having had it!!</p>	<p>That the emissions law should not change from where it is at.</p> <p>That fines only apply to older open fires</p>	<p>That tighter laws arent imposed</p> <p>That more time is given to change laws</p> <p>That Super low emission fires are to tough and expensive at the present time</p>
<p>I source my native untreated dry wood from "Dcno" sites and would wonder if more damage is happening from us burning it all and the methane made by it opposed to burning it and getting a result.</p>

C (1) The specific provisions of the proposal that my submission relates to are: (Specify page number and subsection numbering for each separate provision).

I don't qualify for financial help but don't earn a fortune. You want me to pay to remove/dispose fix holes & a/c's, etc. Pay for new form of heating and then pay to run it against very small costs.

A \$350 fine is a huge amount and who can afford it.

Your time, \$, and effort would be better spent on other areas, maybe water or something.

b) does not relate to trade competition or the effects of trade competition.
