Subject: proposed Canterbury air regional plan
Date: Thursday, 30 April 2015 10:24:28 a.m.

Att. Brett Aldridge,
Region Planning Officer

Dear Sir,

Having written several reports to Ecan and the Government and stated my concerns through our local paper I would like the opportunity to make a submission to discuss this issue you have with Timaru. I have lived in Timaru all my life in seven different houses all over town.

Thanking you in anticipation.

Yours sincerely

R.T. (Dick) Dodds
