Contact name and postal address for service of person making submission (if different from above):

Trade Competition

Pursuant to Schedule 1 of the Resource Management Act 1991, a person who could gain an advantage in trade competition through the submission may make a submission only if directly affected by an effect of the proposed policy statement or plan that:

- a) adversely affects the environment; and
- b) does not relate to trade competition or the effects of trade competition.

Please tick the sentence that applies to you:

- I could not gain an advantage in trade competition through this submission; or
- I could gain an advantage in trade competition through this submission. **If you have ticked this box please select one of the following:**
 - I am directly affected by an effect of the subject matter of the submission
 - I am not directly affected by an effect of the subject matter of the submission

Signature: M Saunders Date: 29.4.15

(Signature of person making submission or person authorised to sign on behalf of person making the submission)

Please note:

(1) all information contained in a submission under the Resource Management Act 1991, including names and addresses for service, becomes public information.

- B**
- I do not wish to be heard in support of my submission; or
 - I do wish to be heard in support of my submission; and if so,
 - I would be prepared to consider presenting your submission in a joint case with others making a similar submission at any hearing

C (1) The specific provisions of the proposal that my submission relates to are: (Specify page number and subsection numbering for each separate provision).	(2) My submission is that: (State concisely whether you support or oppose each separate provision being submitted on, or wish to have amendments made and the reasons for your views.)	(3) I seek the following decisions from Environment Canterbury: (Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand your concerns.)
AFTER reading thru 191 Pages of your Report most people would give up.	To Continue to allow Burning of Hedge Clippings & Grass.	To allow & use Common Sense practices.
Pages 7 - 191.	Burning of Domestic Rubbish.	Enable public to Burn Teach our children what fires can do, & How to provide Heat, Hot water & Cooking.
People in NZ who dream up policies to restrict the general public who rely on Domestic Wood Burns for Heating, Hot water & Cooking need to take a good look at their own productivity for NZ. There are too many Compliance Jobs. How many Compliance based jobs are there in NZ for every job that creates an Income for this Country?	Do not restrict the use of log Burns of any age. older log Burns Burn efficiently, if use Dry wood & are not shut down.	AFTER Cont. Govt Quits NZ is a necessity to be able to have basic BOY SCOUT SKILLS & all townies need some Education in this field. *You have a last generation on that has to look after oneself in a disaster.
Another Tax after Tax	Why are we fighting to Keep us warm!!!	These of us in Old Homes will have to rely on Woodburners for Heat, Health Hot water & Cooking. It is a basic <u>NO 1</u> necessity & Health Issue. Wood is a Renewable Resource Electricity is unreliable & unavailable when available.

Add further pages as required.
