Support Oppose

Supports in Part or Opposes in Part

State concisely whether you support or oppose the provision being submitted on, or wish to have amendments made.

My submission is that: . Support

Please state your reasons for supporting/opposing/amendments sought

My reason(s) for supporting, opposing or requesting amendments to this specific provision are:

I support making outdoor burning for cooking a permitted activity as cooking wood fired pizza is a great thing to do. This is mostly done in the summer when pollution from log burners isn't a problem and strong NE winds blow away any smoke.

Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand the outcome you are seeking.

I seek the following decisions from Environment Canterbury:

Please make outdoor burning for cooking a permitted activity.
