What do you want Environment Canterbury to do?

* I wish for Pizza Ovens ~~to be~~ and outdoor cooking ovens to be unregulated. Of course neighbours can complain about smoke and the owners called for ~~disco~~ discussion but I think that outdoor cooking should be encouraged.

* Remove restraints on outdoor cooking unless there is fire hazard.

* I think that any house should be allowed a clean burning log burner.

* Allow houses, especially new houses, to have clean air log burners.

I love what you doing with buses

* keep it up

What do you want Environment Canterbury to do?

* I would like more emphasis on clean rivers, I know you do alot already but I think communities could be engaged more to help. The river boating race on the Heathcote is a great example.

- * engage community in river cleanup, plastic and education

Continue your submission on additional pages if necessary.
