Your submission

I feel that if we had a bit less spent on the water management plan for the time being as would prefer to see the money spent more wisely on pest management. p 6 and p 10-11

Once again spending money here without making sure pest control is well and truly taken care of is a waste of resources, though support the work you want to do pest management is vital for this to be successful. p 6 and p 11-12

Public Transport – STOP changing the routes and the contracts for which company has the routes. Please have bus stops closer together to encourage use with suitable shelters.

Reintroduce the four hourly off peak return pass for day times, weekends, evenings, etc. p 6-7 and p 14-15.

Air Quality – we need efficient clean burning log burners and environmentally friendly and cost effective alternatives to electricity. p 7-8 and p 16-17

Keeping us Safe – established plant and animal pest and diseases still need control, p 8 and p 18-19.

Regional leadership needs to go back to having proportional representation of the population with councillors all being elected – rural and urban. p 8 and p 21-22
