Your submission	<p>My topic is WATER. Last year I wrote to ECAN re the increased number of dairy farms on the Canterbury plains and elsewhere . Nothing has been done by ECAN even though you state on page 10that in 7 years up to 2012 dairy cattle had doubled. How many as well in 2013 -2014? Is there no limit? What about the effect of increased nitrates in our drinking water?</p> <p>You replied to my letter that it was not your concern. Who's is it then?</p>
What do you want Environment Canterbury to do?	<p>I WANT ECAN TO LIMIT DAIRYING IN CANTERBURY BECAUSE OF THE AMOUNT OF</p> <p>WATER THEY REQUIRE PLUS THE EFFECT OFTHEIR WASTE PRODUCTS ON</p> <p>OUR LAND</p>
