Your submission	<p>SUBMISSION :</p> <p>The current ORBITOR bus route should be extended to the CHCH Airport</p> <p>Those who live in the Eastern suburbs of CHCH have difficulty reaching the Airport when a specific time is required .. at least 2 bus changes are required. The alternate to use a TAX is expensive and beyond the reach of many pensioners and those on low income . The current ORBITOR route crosses Memorial avenue at Greers Rd virtually in sight of the Airport .. extending the ORBITOR to the Airport would be cost effective and would greatly encourage many travellers to use the service</p>
What do you want Environment Canterbury to do?	<p>Your stated have your say brochure aim, "ENCOURAGE PEOPLE TO USE THE BUS "</p> <p>Support my submission to extend the current ORBITOR bus to reach the CHCH airport a very practical and cost effective way to increase patronage and provide a much needed service to EAST Christchurch n residents</p> <p>DENNIS GRAGAM</p>
