Your submission	What do you want Environment Canterbury to do?
	lifting a walked on to the bus especially if the bus doesn't park close up & level to the footpath. Difficulty also is departing the bus.
	While bus drivers are obliged to put down a ramp for wheelchairs it's not considered a duty to assist folk with wheelchairs, nor for mothers (or grandmothers) with prams. Some mothers manage well but others can struggle.
	I leave this for your consideration as to how to improve this matter.

Continue your submission on additional pages if necessary.
