What do you want Environment Canterbury to do?

① stop crop & forestry burn offs

Ban this activity completely

② Get rid of noxious weeds from river beds. "Gorse/Broom" Encourages Hayfever-chest problems

Spray - your current program is not working

③ Unsealed roads cause pollution and add extra irritants for those subject to hayfever-chest problems

Get onto a program to find a better surface (NOT DUSTY) for these roads or seal them.

What do you want Environment Canterbury to do?

①

These are all Rural problems.
The 'burn off' season is always
a real nuisance - smelly
walking - have to keep windows
shut, just a real stink in
the air, notwithstanding the fact
that it costs the district heaps
in fire callouts & put lives at risk.

②

farmers & landowners are told
to get rid of the gorse hedges -
Why not ecan in the river beds?
In the Selwyn River it also
looks appalling!

Continue your submission on additional pages if necessary.

This was a Burn-off in
HORODATA, that got out of
hand about 2 years ago.
