Your submission	What do you want Environment Canterbury to do?
<p>Firstly, thank you for the well presented and easy to read document.</p> <p>My main concern is about the effect of the clean air strategy on people with low incomes.</p> <p>The price of electricity means I fear a future where citizens die in their homes from the cold breathing pristinely clean air! This may</p>	<p>I would like to see more leniency with "efficient" wood burners.</p> <p>Who in their right mind is going to pay \$11,000 per the ultra efficient one currently on the market? Pace the intolerance for air pollution with the improvement in housing please!</p>
