Your submission I agree with the need for public transport to be made available to out of town suburbs Rolleston etc

What do you want Environment Canterbury to do? Not alone provide public transport to outside suburbs but bring back the bus service to the Christchurch Prisons. Paparuara Womens and Mens and Rolleston There are a lot of family members that used to be able to visit there loved ones by catching the bus right to the door step at ChCh Mens Prison and since they stopped those buses they no longer can. I would like to see those return as I am sure there is still such a great need. As most of the visits are Sat and Sun then maybe something could be set up for those days.
