Dear  
 Environment Canty Regional Council,  
 Thank you for your booklet allowing  
 us a say & submission.

Unfortunatly I am one of many  
 who has lost faith firstly by the  
 undemocratic process used to secure  
 your jobs & 2ndly by your  
 inability or unwillingness to uphold  
 AQL49 as far as the Gelito  
 Factory in Woolston is concerned  
 This overseas owned company has  
 repeatedly broken the law for many  
 many years & continues to do so  
 you have made some attempts to  
 uphold the law but nothing has actually  
 worked & stopped the lawbreaking  
 so I doubt whatever my submission is  
 you couldn't (or wouldn't) act on it

Thank you  
 Elizabeth Graydon
