## Your submission

## Section 4 Clean Air

What do you want Environment Canterbury to do?

(1) Your plan to force people to replace wood burners after 15 years is absurd. In 2010 we were forced to replace our old wood burner with a new improved clean air burner which we did do and now you want to restrict it to 15 yrs! We have already had one high pollution night in 2015 and it was not caused by wood burners!

change the  
period to  
20-25 years

(2) Concentrate on the Pollution for diesel cars and Trucks! Bring in stricter controls for all Diesel motors!
