To Whom it may concern,

20/3/2015

I would like to suggest that Ebbitide Street in South Shore becomes a beautiful and iconic natural reserve.

There is a distinct lack of park like reserve areas in Rockinghorse Road, Pine Ave and Marine Parade.

This fragile piece of land is not suitable for housing.

This strategic piece of land offers excellent wildlife, recreational, relaxing and viewing pursuits for the general public and South Brighton residents, and would be a valuable asset to the city, for generations to come.

Yours sincerely Carol Thomas.
