Hi Kim

My submission is about motor vehicle access to public beaches between the Waimakariri and Ashley rivers.

I want to see these beaches closed to all cars & motorbikes.

Dear David

Thank you for your email.

Are you please able to confirm what document your submission relates to as Environment Canterbury currently has more than one document out for public submissions.

Kind regards
Kim

Subject: My Submission

I'd like to see the beaches between the Waimakariri and Ashley Rivers closed to all cars & motorbikes.

To me these beaches are places for walking and relaxing; I should not have to put up with noisy, dangerous cars and often unregistered, motorbikes on the beach.

Small children should be able to go to the beach and play safely; as it is now they can't do that with cars driving past them.
