I do not wish my contact details to be made public

☐

All submissions are public documents. Copies will be published on the Environment Canterbury website.

Your submission

What do you want Environment Canterbury to do?

① We have a compliant log burner - Firstly just to plead for ongoing research on burners like ours so they can continue to be used. We love our log burners.

② Water quality - I am proud of our farmers and dairy

Support for Research on "effective" log burners to lead to lower levels of discharge.

Your submission

What do you want Environment Canterbury to do?

farmers and support
their growing productivity
and competence.
However water purity
for all and protection
of all water ways is
crucial as is disposal
of effluent - so again
the crucial role of
Environment Canterbury
in both policing effluent
discharge and water
sources & water ways
and their care

Ongoing policing
of dairy farmers
effluent levels
And water ways
that are part of
their properties
so they are
fenced off &
protected.

Thank you for listening.

Continue your submission on additional pages if necessary.

Facilitating sustainable development
in the Canterbury region
