Support Oppose

Supports in Part or Opposes in Part

State concisely whether you support or oppose the provision being submitted on, or wish to have amendments made.

My submission is that: Support Oppose

Please state your reasons for supporting/opposing/amendments sought

My reason(s) for supporting, opposing or requesting amendments to this specific provision are:

This permitted activity should be all encompassing .It should not exclude buildings consented after 2003

Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand the outcome you are seeking.

I seek the following decisions from Environment Canterbury:

All residential properties should be free to install low emission burners if the property is greater than 2 Ha. There is more environmental damage through using non renewable resources that using dry wood. The pollution caused by wood burners in sparsley populated areas is minimal

State concisely whether you support or oppose the provision being submitted on, or wish to have amendments made.

My submission is that: Support Oppose

Please state your reasons for supporting/opposing/amendments sought

My reason(s) for supporting, opposing or requesting amendments to this specific provision are:

There should be no exclusion to the fitting of low emitting burners if the property was consented prior to 2003

Please give precise details for each provision. The more specific you can be the easier it will be for the Council to understand the outcome you are seeking.

I seek the following decisions from Environment Canterbury:

All rural properties should by designation be allowed to install a low emitting burner. In rural areas the electricity supply is not reliable and in in emergency situations a solid burner is the only solution
