Ref#	ANZCO supports or opposes the submission of:	The particular part of the submission ANZCO supports or opposes is:	The reasons for ANZCO's support or opposition are:	ANZCO seek the following:
1	Selwyn District Council	Policies Section 4.13 PC4 LWRP-672	This submission recognises that the term "and" is used between points (i) and (ii) this indicates that it is conjunctive. This drafting is problematic given one clause is to apply when the other does not. On this basis the proposed amendment by Selwyn District Council is supported.	Support – Allow submission point
2	Oil Companies Z Energy, Mobil and BP	Schedule 25 - Water Supply Strategy PC4 LWRP-647	This submission seeks to remove Schedule 25. ANZCO supports the inclusion of the schedule as it provides additional guidance as to what is considered a community water supply and therefore opposes the deletion of the schedule.	Oppose – Disallow submission point
