1. This further submission is filed by North Canterbury Fish & Game in response to submissions made in respect of proposed Plan Change 6 to the Canterbury Land and Water Regional Plan. The further submissions are outlined in Annexure 1. The comments provided are in support of, or opposition to, new items not already addressed in Fish and Game's original submission.
2. Fish & Game wishes to be heard in support of this submission, and would be prepared to consider presenting this submission in a joint case with others making a similar submission at any hearing.

### Annexure 1

Submitter	Sub ID	Point ID	Reasons	Support/oppose
Wairewa Rūnanga Inc and Te Rūnanga O Ngāi Tahu Section 10	52233	PC6 LWRP-106	Fish and Game supports this amendment. The maintenance of low nitrogen concentrations is important in order to avoid exacerbating algal blooms.	Support
Federated Farmers of New Zealand 10.4.1	66255	PC6 LWRP-17	<p>Fish and Game supports the ammended wording proposed by Federated Farmers as shown below, as opposed to deletion of “their tributaries” shown in the first proposed amendment.</p> <p>This addition is supported on the basis that “where practical” only constitutes a waiver in situations where a high level of difficulty exists, given the policy is already limited to the Valley Floor Area.</p> <hr/> <p><i>OR</i></p> <p><i>(a) excluding stock from the bed and riparian margins of the Okana, Okuti, and Takiratawai rivers, and <u>where practical</u>, their tributaries, and the lake within the Valley Floor Area, in order to reduce the risk of bank erosion and collapse and avoid animal effluent entering water; and...</i></p>	Support in part
Wairewa Rūnanga Inc and Te Rūnanga O Ngāi Tahu 10.4.2	52233	PC6 LWRP-111	Fish and Game oppose the deletion of Policy 10.4.2 and consider it is important to remain as a stand-alone policy to avoid diluting its importance in achieving the overall Objectives and Policies in the Plan.	Oppose
Federated Farmers of New Zealand	66255	PC6 LWRP-28	Fish and Game seek to apply the same approach as suggested with the amendment of Policy 10.4.1 above.	Oppose
