In the matter of Plan Change 5 Waitaki Sub-region to the Canterbury Land and Water Regional Plan

Re: Withdrawal of Part of Submission for PC5 Waitaki Sub-region

1. On 11 March 2016 Central South Island Fish & Game Council (Fish & Game) lodged a submission on Plan Change 5 Waitaki Sub-region to the Canterbury Land and Water Regional Plan.
2. Fish & Game's submitter ID is 53274.
3. Part of Fish & Game's submission opposed Table 15B(c) and requested a reduction in Nitrate-nitrogen concentration for a number of waterbodies to better safeguard life supporting capacity and ecosystem health. This was set out on pages 15-17 of the original submission.
4. This memorandum is lodged to notify Environment Canterbury that Fish & Game withdraws that part of its submission that relates to Table 15B(c).
5. Table 15B(c) establishes water quality limits for Waitaki Rivers.

Sincerely
