Definition
A Certificate of Compliance is a certificate issued by a local authority that a particular proposal or activity is a permitted activity in terms of a plan or can be lawfully carried out without a resource consent in respect of any particular location.

Charges
Your application must be accompanied with the deposit charge specified in the “Summary of Resource Consent Charges” or at https://ecan.govt.nz/do-it-online/resource-consents/first-steps-and-costs/

The deposit may not cover all charges related to the auditing of the application. The applicant may be invoiced for additional charges. If an application is declined, all charges must still be paid.

All accounts are payable by the 20th day of the month following the date of invoice. If the account is not paid within 30 days after the due date, our debt collection agent may charge you a fee equal to 25% of the unpaid portion of the account, but no less than $25.00. Where the total debt collection costs, legal and other costs arising from the collection of any amount owing exceeds the debt collection fee charged, our debt collection agent is also entitled to recover such additional costs. All Environment Canterbury charges must be met by the applicant. This may include time spent discussing issues with the applicant and any other parties involved in the process.
