

# CON302: APPLICATION FOR RESOURCE CONSENT

## TO DISCHARGE TO AIR – SPRAY COATING

If you need help in filling out this form please contact our Customer Services staff on (03) 353-9007 or toll free 0800 EC INFO (0800 324 636). They will be able to provide some general assistance.

Send the completed application to: *Environment Canterbury, 58 Kilmore Street, P O Box 345, Christchurch 8140.*

### Information

Completing all the questions in this form:

- (a) may satisfy the requirements of the Resource Management Act 1991 for an application for resource consent. Environment Canterbury will inform you if further information is required.
- (b) will assist with the prompt processing of your application - any omissions in the form may result in significant delays and costs while the required information is obtained.

### Charges

Your application must be accompanied with the deposit charge specified in the "Summary of Resource Consent Charges" or at [www.ecan.govt.nz](http://www.ecan.govt.nz). When your application has been processed, if the actual and reasonable costs incurred by Environment Canterbury exceed the deposit charge, you will be invoiced for the balance. If the cost of processing an application is less than the deposit charge paid, the balance will be refunded. You can require the provision of an estimate of the charge for processing your application. If an application is declined all charges must still be paid.

All accounts are payable by the 20th day of the month following the date of invoice. If the account is not paid within 30 days after the due date, our debt collection agent may charge you a fee equal to 25% of the unpaid portion of the account, but no less than \$25.00. Where the total debt collection costs, legal and other costs arising from the collection of any amount owing exceeds the debt collection fee charged, our debt collection agent is also entitled to recover such additional costs. All Environment Canterbury charges must be met by the applicant. This may include time spent discussing issues with the applicant and any other parties involved in the process.

Yes  No

If applicable, please provide a map that indicates the properties of people who have provided written approval to your proposal.

Is the site in a silent file area?  Yes  No

*Note: Customer Services can advise you of this.*

**5. DESCRIPTION OF AFFECTED ENVIRONMENT**

Please briefly describe the area around your site (e.g. commercial, residential, industrial, rural).

**Please attach a map** of your property and surrounding area showing the location of your discharge points, an of:

- (i) any sensitive activities (e.g. schools, kindergartens, houses) and the distances to them;
- (ii) any large nearby buildings that may affect the dispersion of contaminants (within a radius of five times the stack height, e.g. if your stack height is 5m high, you should show the location of buildings out to 25m);
- (iii) any other activities nearby that discharge similar contaminants to air.

**6. ASSESSMENT OF ACTUAL AND POTENTIAL EFFECTS**

Spray coating can potentially cause adverse effects including:

- (i) health effects from isocyanates;
- (ii) health effects from solvents;
- (iii) nuisance effects of odour from solvents;
- (iv) nuisance effects from overspray;
- (v) health effects from combustion products (e.g. nitrous oxides, sulphur dioxide, particulates)
- (vi) cumulative effects (in combination with other discharges).

Please indicate what adverse effects your activity will have (both "large" and "small").

Please also provide reasons for your answer. These reasons may range from a simple statement to what you think the effects will be and an explanation of how you have reached your conclusion, to a full assessment of the effect, including dispersion modelling of contaminants and a comparison with emission guidelines. (You may need to seek assistance from an appropriately experienced consultant if your discharge is quite large and/or located near sensitive areas, e.g. schools, residential houses.)

**7. MITIGATION MEASURES**

Please **INITIAL** the mitigation measures that you propose. Note that these may be included as conditions of your consent if granted.

- (iii)  The rate of paint used will not exceed \_\_\_\_\_ litres per hour.
- (iv)  Paints containing isocyanates will not be used.
- (v)  A record of the manufacturer, type and quantity of all paints and additives used in the spray painting booth will be kept and provided to the Canterbury Regional Council on request.
- (vi)  The filtration systems will be maintained in an efficient operating condition at all times in accordance with either the instructions supplied by the manufacturer of the filtration system or the Occupational Safety and Health Code Of Practice for the Safe Use of Isocyanates, First edition, 1989, or an equivalent Code of Practice.
- (vii)  A record of any maintenance carried out on the filter system will be kept and provided to the Canterbury Regional Council on request
- (viii)  The discharge into air from the spray booth will be via a stack at a height of at least:  
 \_\_\_\_\_ metres above ground level; and  
 \_\_\_\_\_ metres above the roofline of the building that houses the spray booth.
- (ix)  The discharge will be directly vertically into the air and not be impeded by an obstruction above the stack, which would decrease the vertical efflux velocity below that which would occur in the absence of such obstruction
- (x)  There will be no objectionable odour or the deposition of particulate matter beyond the property on which the consent is exercised.

**PART C: OTHER INFORMATION****1. PREVIOUS CONSENTS**

- (a) Have you held any previous consents at this site for this activity or any related activities?  Yes  No  
If yes, please supply the consent reference number(s) or consent holder's name (if different from current applicant's name).

**2. NOTIFICATION**

If your assessment of effects has shown that adverse effects on the environment are likely to be more than minor and/or there are people who may be adversely affected from whom you are unable to obtain written approval, you may wish to request that your application be publicly notified in order to avoid possible delays in the processing of your application.

The final decision to notify or not notify an application will still be made by Environment Canterbury.

Please note that an application cannot be notified unless there is sufficient information for the notice that makes it clear what is being applied for, and how it might affect the environment (including people).

I request that my application is notified.  (tick box)

**3. DURATION REQUESTED**

Please specify the duration sought for your consent: \_\_\_\_\_ years \_\_\_\_\_ months.

*Note: The maximum duration allowed under the Act is 35 years.*

**4. START DATE**

Resource consents lapse five years after their commencement date unless the consent has been given effect to or an application is made to Environment Canterbury to extend this period.

What date do you propose to start the activity? \_\_\_\_\_ (date/month/year)

**5. ERRORS AND OMISSIONS**

When you receive your Resource Consent Documents please check that the details are correct. You have a 15 working day period after the decision is notified to allow you to object or advise of errors or omissions without cost.

**ADDITIONAL NOTES TO APPLICANTS**

- Your application must be publicly notified unless Environment Canterbury is satisfied that the adverse effects on the environment will be minor and written approval has been obtained from every person Environment Canterbury considers may be adversely affected by the granting of your application (unless Environment Canterbury considers it unreasonable to require the obtaining of every such approval). Enclosed is a form "Written Approval of Persons Likely to be Adversely Affected" to help you obtain such approvals.
- Section 128 of the Resource Management Act 1991 sets out the circumstances in which Environment Canterbury may review the conditions of a resource consent. Under Section 128(c) Environment Canterbury may undertake a review at any time if the application contained any inaccuracies which materially influenced the decision made.
- The information you provide with your application is official information. It will be used to process your application and, together with other official information, assist in the management of the region's natural and physical resources. Access to information held by Environment Canterbury is administered in accordance with the Local Government Official Information and Meetings Act 1987, and Privacy Act, 1993. Your information may be disclosed in accordance with the terms of these Acts. Public access is also provided to consent information via Environment Canterbury's website. It is therefore important you advise Environment Canterbury if your application includes trade secrets and/or commercially sensitive material.
