

## Terms and conditions for the supply and use of Environment Canterbury information

*(Environment Canterbury is the promotional name for Canterbury Regional Council)*

### Description of information

Information supplied to: Maree Baker-Galloway

Description of information to which these terms and conditions apply:

Water Quality data collected by Environment Canterbury from South Canterbury coastal sites - from entrance to Timaru Port to Waitaki River mouth

### General terms and conditions

1. Environment Canterbury owns the copyright on the information.
2. Environment Canterbury shall be acknowledged as the source of the information used in any reports, publications, media statements or other documents, or oral statements which include the information and are made available to third parties or the general public.
3. A copy of these terms and conditions shall accompany any attached information which is made available to third parties.
4. The user to the attached information agrees to indemnify Environment Canterbury for any losses sustained as a consequence of breach of any of these conditions.

### Disclaimer

The attached information is supplied on the basis that it is accurate to the best of Environment Canterbury knowledge and belief and is based on the information currently held by Environment Canterbury. While Environment Canterbury has exercised all reasonable skill and care in controlling this information, Environment Canterbury accepts no liability in contract, tort or otherwise howsoever, for any loss, damage, injury or expense (whether direct, indirect or consequential) arising out of the provision of this information or its use by you.
