

Item 7.2

Canterbury Regional Transport Committee

Date of Meeting	15 June 2017
Author	Louise McDonald Senior Administration Officer

Purpose

To receive the report of the Canterbury Regional Transport Committee for the meeting held on 26 May 2017.

Attachment

1. Refer to the unconfirmed minutes for the Canterbury Regional Transport Committee on page 36 of the Council agenda.

Proposal

There are two recommendations to the Regional Council from the Committee:

Item 9. Review of the Regional Land Transport Plan – Proposed New Investment Opportunities. Five priority issues were identified:

- Travel time reliability
- Accessibility
- Condition and suitability of assets
- Safety
- resilience

Item 10 – Variations to the Canterbury Regional Land Transport 2015

Two variation were considered. The committee supported the variation (Clarence to Oaro Improvements) and are recommending this variation to the Regional Council.

The Committee item also considered another variation (Waimakariri Bridge Improvement). As this was considered significant the Committee resolved to appoint a panel to prepare and oversee public consultation on this variation. The panel will report back to the Regional Transport Committee that will then make a recommendation to the Regional Council.

Recommendations

That the Council:

1. **receives the report of the meeting of the Canterbury Regional Transport held on 26 May 2017.**
2. **agrees in principle to the draft section of the Regional Land Transport Plan 2015-25 setting out new investment priorities.**
3. **approves, pursuant to section 18B of the Land Transport Management Act 2013, the following variations to the Canterbury Regional Transport Plan:**
 - a) **Clarence to Oaro Improvements**
