Clause 20A of Schedule 1 to the RMA states:

“A local authority may amend, without using the process in this schedule, an operative policy statement or plan to correct any minor errors”

The following amendments to correct minor errors are recommended to be made to the Canterbury Land and Water Regional Plan. Recommended deletions are shown in ~~strikethrough~~ and recommended additions in underline.

---------------------	---	---------------------------

It is considered appropriate to use Clause 20A of Schedule 1 to the RMA to amend the Canterbury Land and Water Regional Plan for the following reasons:

- These alterations have been recommended to address typographical or grammatical errors in the Canterbury Land and Water Regional Plan, and the alterations do not materially alter the substance, intent or application of these provisions;
- The proposed alterations are of neutral effect and do not prejudice the rights of any person that made a submission on these provisions;
- The correction to Rule 11.5.22 reflects the intended outcome in the Council's decision on Plan Change 1 to the Land and Water Regional Plan.

Recommendation

The above changes are approved under Clause 20A to Schedule 1 to the RMA as corrections to minor errors, and a copy of the changes is displayed on the Environment Canterbury Website.
