Petition to: Help Somerfield Reinstate our Bus Services!

PLEASE SIGN BELOW / ONLINE @ [www.change.org/-Somerfield Bus Service reinstated](http://www.change.org/-Somerfield-Bus-Service-reinstated)

Completed petition & letter will be forwarded to at least the following: ECan, Metro, CDHB & The Greater CHCH Public Transport Joint Committee.

Somerfield had all bus services & bus stops removed following a review /change in city bus services despite many residents' submissions. Our community, families & growing elderly population urgently require for a reinstatement of adequate bus services - especially as health services move to CHCH & Burwood Hospitals!

We, the undersigned, are concerned citizens who urge our leaders to act now to reinstate an adequate bus service in particularly Somerfield Street & Selwyn Street, Christchurch.

either by 1) Amending Bus Route 60 to include Somerfield area

2) Creating a New City Hospital-based bus service - linking Somerfield & Selwyn Street with the 3 public hospitals in Christchurch, City centre & other New facilities (as per proposed maps attached)

Petition to: Help Somerfield Reinstate our Bus Services!

PLEASE SIGN BELOW / ONLINE @ [www.change.org/-Somerfield Bus Service reinstated](http://www.change.org/-Somerfield-Bus-Service-reinstated)

Completed petition & letter will be forwarded to at least the following: ECan, Metro, CDHB & The Greater CHCH Public Transport Joint Committee.

This petition requests to have the bus services & bus stops reinstated in the Somerfield area. The prior bus route No: 114 was clearly ineffective as were our residential submissions, requesting for an adequate bus route. Now our communities, families & growing elderly population urgently request for adequate bus services to be reinstated in our area - especially as many health services move to CHCH/Burwood Hospitals!

We, the undersigned, along with the support of Somerfield Residents Association, request for our leaders to act now to reinstate an adequate bus service in particularly Somerfield Street & Selwyn Street, Christchurch either by: 1) Amending Bus Route 60 to include Somerfield area

2) Creating a New City Hospital-based bus service - linking from PMH to CHCH to Burwood Hospitals - via Somerfield & Selwyn Streets, and our City centre. (as per proposed maps attached)

Petition to: Help Somerfield Reinstate our Bus Services!

PLEASE SIGN BELOW / ONLINE @ [www.change.org/-Somerfield Bus Service reinstated](http://www.change.org/-Somerfield-Bus-Service-reinstated)

Completed petition & letter will be forwarded to at least the following: ECan, Metro, CDHB & The Greater CHCH Public Transport Joint Committee.

Somerfield had all bus services & bus stops removed following a review /change in city bus services despite many residents' submissions. Our community, families & growing elderly population urgently require for an adequate bus service to be reinstated now - especially as health services move to CHCH & Burwood Hospitals!

We, the undersigned, are concerned citizens who urge our leaders to act now to reinstate an adequate bus service in particularly Somerfield Street & Selwyn Street, Christchurch.

either by 1) Amending Bus Route 60 to include Somerfield area

2) Creating a New City Hospital-based bus service - linking Somerfield & Selwyn Street with the 3 public hospitals in Christchurch, City centre & other New facilities (as per proposed maps attached)

Somerfield Residents Association & our Community Thank You for your support!!

Petition to: Help Somerfield Reinstate our Bus Services!

PLEASE SIGN BELOW / ONLINE @ www.change.org/-Somerfield-Bus-Service-reinstated

Completed petition & letter will be forwarded to at least the following: ECan, Metro, CDHB & The Greater CHCH Public Transport Joint Committee.

Somerfield had all bus services & bus stops removed following a review /change in city bus services despite many residents' submissions. Our community, families & growing elderly population urgently require for an adequate bus service to be reinstated now - especially as health services move to CHCH & Burwood Hospitals!

We, the undersigned, are concerned citizens who urge our leaders to act now to reinstate an adequate bus service in particularly Somerfield Street & Selwyn Street, Christchurch.

either by 1) Amending Bus Route 60 to include Somerfield area

2) Creating a New City Hospital-based bus service - linking Somerfield & Selwyn Street with the 3 public hospitals in Christchurch, City centre & other New facilities (as per proposed maps attached)

Petition to: Help Somerfield Reinstate our Bus Services!

PLEASE SIGN BELOW / ONLINE @ [www.change.org/-Somerfield Bus Service reinstated](http://www.change.org/-Somerfield-Bus-Service-reinstated)

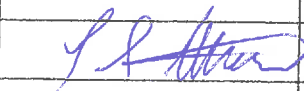

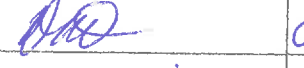

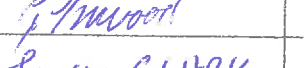

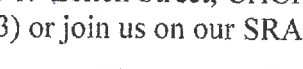

Completed petition & letter will be forwarded to at least the following: ECan, Metro, CDHB & The Greater CHCH Public Transport Joint Committee.

This petition requests to have the bus services & bus stops reinstated in the Somerfield area. The prior bus route No: 114 was clearly ineffective as were our residential submissions, requesting for an adequate bus route. Now our communities, families & growing elderly population urgently request for adequate bus services to be reinstated in our area - especially as many health services move to CHCH/Burwood Hospitals!

We, the undersigned, along with the support of Somerfield Residents Association, request for our leaders to act now to reinstate an adequate bus service in particularly Somerfield Street & Selwyn Street, Christchurch either by: 1) Amending Bus Route 60 to include Somerfield area

2) Creating a New City Hospital-based bus service - linking from PMH to CHCH to Burwood Hospitals - via Somerfield & Selwyn Streets, and our City centre. (as per proposed maps attached)
