With reference to the deletion of bus "535 - eastgate to Lyttelton"

Dear Sir/Madam,

I am not happy with the decision to discontinue this Bus. I go to Lyttelton every week, my Grand-daughter lives there and she is the 7th Generation of our Family ~~do~~ do so. I do not have a car, I get a taxi to Eastgate, and rely on this bus to take me "Home". A special trip for me. I ask that you reconsider your decision.

Yours faithfully
Mrs Janet Profit.
