Hi Shane McInroe I have learning disability

I just read your long team plan/transport and Urban Development

I support a small increase. if this small increase gets the bus finder's fix's quicker I don't use the buss so it wants a affect me much. I'm worried about the people who are in Residential Care and they only \$ 20 a week could you what the library's give christening card. You should bring something like snap what Wellington city Council has you get charged by distance. I think you it a little cheaper by 50c paying by Metro Card people who are going to the Airport and I think you increase by people paying by cash to the airport by \$2

I catch the 125 to the airport quite a bit its great bus I don't have to go the bus exchange

if the Christchurch City Council buy's the bus exchange I feel the relationship need to be stronger an environment Canterbury Christchurch City Council

I hope this helps feel free to call me anytime after 4 pm 0273945924 if needed
