Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

Please review the options in the Consultation Document and indicate which option you support: Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

Public Transport Comments

Please provide any comments.

It would be a travesty to remove all public transport options from the Casebrook, Northcote, Styx Mill Reserve and Northwood areas (the 107 and 108 bus routes). Please consider the impact to the people of these neighbourhoods, especially given the construction of the Summerset on Cavendish adding a further 270 units to the area.
