Long-Term Plan 2018-28

I would like to address the proposal to stop the 107 bus route through Northwood. My 16 year old uses this route regularly and it will cause us significant difficulty if this route is no longer available and no alternative exists. She takes a school bus from Riccarton then hops on the 107 on Gariners Rd which then stops by the Country Club, a short walk to our home which works well. If the 107 is terminated, she will have to stop using the school bus, walk from school to Bush Inn , take the orbiter to Northlands and take another bus to Northwood New World and then a long walk home as we live at the other end of Northwood. My estimate timing for this will be a 2-2 1/4 hours to get home as opposed to 1hour she currently has. Please reconsider this plan. It may have small patronage, but it is still a needed route! I watch my neighbour take this bus nearly everyday and she must be 70 years old. This is very important. Thank-you for your time. Amanda
