### Public Transport Comments

#### Please provide any comments.

I am against the 108 Casebrook bus being discontinued. With a new Residential Care Facility and new subdivisions being built in the area, I feel it would be a much better option to extend the bus route into the city. I know I would then use it for events (eg Chinese lantern festival) and shopping in the city if I did not have to match up two buses. I would also be able to take overseas home stay students who go to Ara as at the moment they also do not like to take two buses. Kind Regards Annette
