Public Transport Comments

Please provide any comments.

I am not happy with any options as they all get rid of the 108 bus route. As I do not drive, I rely heavily on this bus to get me to and from Northlands mall so I can get my next bus to work. I would like to know how I'm meant to get to work with no bus route near by? You talk about wanting more people to take the bus yet you make it harder for those of us that do use it. Please reconsider getting rid of this bus route.
