

PUBLIC NOTICE

DECISION ON THE CANTERBURY REGIONAL PEST MANAGEMENT PLAN

Pursuant to section 75 of the Biosecurity Act 1993, the Canterbury Regional Council (Environment Canterbury) gives public notice that it has made its decision on the Canterbury Regional Pest Management Plan (RPMP).

Inspection and availability of the decision report and RPMP

Copies of the decision report and RPMP are available for public inspection:

- During office hours at the offices of Environment Canterbury
 - 200 Tuam Street, Christchurch;
 - 75 Church Street, Timaru; and
 - 73 Beach Road, Kaikōura.
- The Environment Canterbury website www.ecan.govt.nz/pests.

CD copies of the decision report and RPMP can be ordered at no charge from Customer Services. Paper copies can also be requested at a cost as per the Fees and Charges Policy.

Applications to the Environment Court

Pursuant to section 76(3) of the Biosecurity Act 1993, any persons who made a submission on the Proposal for the RPMP may make an application to the Environment Court on the matters set out in section 76(2) of the Biosecurity Act 1993.

The application must be made within 15 working days after the date of this public notice, which was first published Wednesday 21 March 2018.

An application is made under section 291 of the Resource Management Act 1991 and regulations made under the Resource Management Act 1991.

For any enquiries please contact Customer Services; Christchurch 353-9007 or freephone 0800 324 636.
