Option 2 – As Option 1 but larger rates increase, no fare increase: larger (targeted) rates increase, no fare increase, reduced Total Mobility subsidy and six routes discontinued.

Public Transport Comments

Please provide any comments.

Obviously don't want a fare increase but also I use the 145 Westmorland bus as do a number of school children. Surely the large bus can be downsized to the smaller vans for the other routes and have less runs except in peak times so that public transport can still reach those areas affected.
