Type your enquiry here *	The 535 route to Rapaki would be utilised so MUCH more of it was extended another 5 minutes drive to Governors Bay instead of sitting at Rapaki for 15-20 minutes. Governors bay has She Cafe, The Governors Bay hotel/pub and the Governors Bay School, plus all the walking tracks. Pensioners who no longer drive would also be able to get to shops, library, and doctors etc. just about every part of Christchurch benefits from a bus service so why not Governors Bay, we pay the same CCC rates don't we?
