If I want to go to the Palms,I have to wait 3 or 4 hours to get home!It doesn't work ,seems to cater only for school kids.What about the older people in Alpine View? They will have no bus service once the 135 is stopped.The two areas should be combined to go to the Palms ,our nearest shopping mall.Apparently the survey for the 150 was done before it went through the subdivision!</p></div>
