### Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport propped changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

**Please review the options in the Consultation Document and indicate which option you support:**

Option 1 – A combination of routes, fares and (targeted) rates changes: small fare and rates increases, reduced Total Mobility subsidy and six routes discontinued.

### Public Transport Comments

**Please provide any comments.**

Dear Sir,

Generally I believe we have a sound public transport service for our city. I can only commend the people who since the quakes have served this city so well especially the metro staff.

I note that one of the services to be axed is route 28 City to Lyttelton & Rapaki . In the past I was reliant on this service to return to and from Diamond Harbour. If this route is removed are there any proposals for serving the people living in Purau and Diamond Harbour? Thank you for this opportunity to comment on a very thorough long term plan.
